CONTINUATION OF REPORT

CR# 00-07061

NARRATIVE:

On 8-14-00, at approximately 1212 hours, I was working patrol in a marked black and white police vehicle in full police uniform. I was in the area of Crescent and Western, in the city of Buena Park, when I heard over the county wide police emergency channel that a police officer was in foot pursuit.

The officer in pursuit advised that he was in the area of Cerritos and Western. I began heading southbound on Western Avenue, when the officer broadcast a 998 (officer involved in gun battle), at which time Buena Park PD dispatched me to the area to assist.

I then activated both lights and sirens and responded to the area Code 3. I attempted to contact Control 1, via red channel, on two separate occasions, but each time I was covered by other radio traffic.

I arrived in the area of Western and Cerritos and observed numerous police units in the area, along with a police helicopter. When I arrived at the location, the officer that had been involved in the shooting was putting out emergency radio traffic, as to his location, and I was unable to advise Control 1 that I was in the area.

I began an area check and drove eastbound on Cerritos from Western. As I was driving east on Cerritos, I was continually looking southbound at an apartment complex in an attempt to locate the officer. I then turned southbound on Peppertree and began checking the area. As I turned southbound onto Peppertree, I observed a male white subject to the rear of the apartment complex. The subject, later identified as the officer involved in the shooting, was waving his hands over his head in an attempt to get my attention. I continued to drive southbound on Peppertree, until the street ended, and that is where I parked my police vehicle.

As I exited my vehicle, I observed the subject continue to wave his arms over his head. I observed that the subject was holding a hand-held radio and I also observed both a badge and holstered gun on the subject's waistband. I approached the subject by walking southbound on the sidewalk to the subject's

location. As I approached the subject, he identified himself as a police officer by stating, "I'm Station 18."

I instructed the officer to advise Control 1 that 23-040 was with him.

As I approached the subject who identified himself as a police officer, I observed a second subject lying on his back on the sidewalk. The subject was located just southeast of 7685 Sandlewood. The subject was lying on his back with his head facing north. I observed what appeared to be a puncture wound to his chest and a large amount of blood on his shirt. The subject was not breathing and appeared pale. It appeared to me that the subject was deceased. I also observed that the subject had a knife in his closed right hand. It appeared that the subject still had a firm grasp on the knife.

I again contacted the officer who was standing on the grass just northeast of the subject who was lying on the sidewalk. At the time I contacted the officer, he was wearing blue jeans, a white T-shirt, and a blue and white buttoned-down print shirt that was totally unbuttoned. I could easily see both his badge and his gun. The officer appeared to be visibly shaken up and nervous. The officer was also out of breath and seemed somewhat disoriented. I asked the officer if he was okay, or if there was anything I could do for him, and he told me that he was okay.

As I was speaking to the officer, I observed two female deputies approaching our location from an alley located just south of our location and two Anaheim police officers approached from the north. I also asked the officer if there was any additional suspects, and he stated no.

The officer involved in the shooting directed one of the female deputies to secure the scene by placing crime scene tape around the area.

A sergeant then arrived at our location and directed myself and the two Anaheim officers to hold the crime scene.

Paramedics arrived at the location and later transported the subject who was on the sidewalk to the hospital.

Both myself and the two Anaheim police officers were contacted by a sheriff's deputy who obtained business cards and information from us. I was then advised by the deputy that I was no longer needed, and I left the location.

REPORTING OFFICER: R. Pino ID #749

APPROVING SUPERVISOR:

INCIDENT REPORT **CR# 00-07061**

At approximately 1600 hours, I was contacted by Investigator Craig who was conducting an investigation into the officer involved shooting (Case# SA00-273). Investigator Craig directed me to write an incident report regarding my involvement at the scene.

A copy of the report was later forwarded to Investigator Craig, along with a copy of a field diagram made at the scene of the location. The field diagram was booked into Buena Park PD property as evidence.

DETAILS

ON 8-14-00 AT 1210 HOURS I WAS CONDUCTING UNIFORMED PATROL IN A MARKED BLACK AND WHITE POLICE VEHICLE. THE RADIO WAS VERY BUSY WITH 2 ANAHEIM ROBBERY INVESTIGATIONS. I HEARD A LOUD VOICE YELL THAT HE WAS IN FOOT PURSUIT. THE TRANSMISSION WAS GARBLED BUT I UNDERSTOOD THAT THE OFFICER BROADCAST "998". THE OFFICER GAVE HIS LOCATION AS "SOUTH OF WESTERN AT THE RAILROAD TRACKS". MY RESPONSE WAS DELAYED SOMEWHAT UNTIL THE OFFICER UPDATED HIS LOCATION TO WESTERN AND CERRITOS.

UPON MY ARRIVAL TO WESTERN AND CERRITOS I WAS MET BY A BUENA PARK UNIT AND A SECOND ANAHEIM UNIT, #111. WE WERE

DIRECTED TOWARD THE APARTMENTS AT CERRITOS AND PEPPERTREE BY THE ANAHEIM HELICOPTER. I FOLLOWED THE BUENA PARK UNIT INTO THE COMPLEX PARKING LOT. I OBSERVED A MALE WHITE WITH HIS HANDS STRETCHED INTO THE AIR AND I NOTED THAT HE WAS HOLDING A BLACK PORTABLE RADIO. HE WAS WEARING A BLUE SHORT SLEEVE SHIRT WHICH WAS OPEN AND REVEALED A BLACK HOLSTER AND WHAT APPEARED TO BE A BLACK AMMO POUCH. I DETERMINED HIM TO BE THE POLICE OFFICER WHO NEEDED HELP AND I RAN OVER TO HIS LOCATION WITH THE BUENA PARK OFFICER AND OFFICER TROUNG #503.

AFTER JUST A FEW STEPS TOWARD HIS POSITION, THE OFFICER WAVED US BACK TO OUR POLICE UNITS. HE STATED, "MOVE YOUR CARS, 91 IS COMING" SEVERAL TIMES. WE COULD NOT SEE THE SUSPECT AT THAT TIME, BUT WE COMPLIED AND MOVED OUR CARS TO A DIFFERENT PART OF THE PARKING LOT. WHEN WE RETURNED TO THE SCENE SEVERAL SHERIFF INVESTIGATORS AND SERGEANTS WERE SPEAKING WITH THE OFFICER INVOLVED IN THE INCIDENT. I APPROACHED AND ASKED A SGT WHAT HE WANTED US TO DO. HE STATED THAT HE WANTED ALL THREE OF US TO DIRECT INVESTIGATORS TO THE SCENE AND KEEP EVERYONE ELSE OUT. I OBSERVED THE SUSPECT BRIEFLY.

I NOTICED THAT THE SUSPECT WAS LAYING ON HIS BACK WITH WHAT APPEARED TO BE A BULLET HOLE IN HIS CHEST. THERE WAS A POOL OF BLOOD AROUND HIM AND HE CLUTCHED A FANCY 6 INCH CLEAN BUCK KNIFE IN HIS RIGHT HAND. I HAD NO OTHER PART IN THE INVESTIGATION.
